Dear Evgenia,

Thank you for your email.

The Principality of Andorra does not require any type of visa to visitors, no matter what their nationality is. In the case of Israelis, tourists only need to hold an official and valid passport, either the ordinary one or the Travel Document in Lieu of National Passport. As a tourist, you may stay in the Principality of Andorra for a maximum of 90 days.

We remain at your disposal for any further queries.

Assumpte: Clarification of the order of entry of Israeli citizens with Travel Document in Lieu of National Passport

Good afternoon!

My name is Evgenia, and I represent ATLAS. At the moment, at the request of the Israelis, we are updating data on entry to different countries using Travel Document in Lieu of National Passport. It is a second passport and is issued exclusively to Israeli citizens who do not live in the country. This passport is also known as a Provisional Passport.

According to the visa agreement between Israel and Andorra, Israeli citizens who own a Darkon can visit the country without obtaining a visa and stay in it for 90 days. What are the rules of entry into your country for Israeli citizens with Travel Document in Lieu of National Passport?

We are looking forward to receiving a response to update the data on entry to Andorra with Travel Document in Lieu of National Passport.

Thank you for attention,

Evgenia
