RE: Clarification of the order of entry of Israeli citizens with Travel Document in Lieu of National Passport

Good afternoon,

You are eligible to apply for an eTA if you hold a blue, **National Passport issued by the State of Israel**.

To confirm that you hold a national passport, make sure it is a "TYPE P" document on the page with your picture. If it is "TYPE PT" or "TYPE PP" or any other letters besides "P", you need a visa.

www.canada.ca/eta - to apply for an eTA with a blue National Passport Type P.

www.canada.ca/visit - to apply for a visa with any other type of Israeli travel document (select "no" when asked whether you hold an Israeli National Passport).

Sincerely,
