Dear Evgenia,

For your kind request we would like to inform you that all EU member states accept the Israeli Travel Documents in Lieu of National Passport (Laissez-passer) issued to citizens of the State of Israel who do not qualify for an ordinary Israeli passport, except the undefined citizens or non-Israeli residents. As a result of this they can travel to the EU countries without visa.

Kind regards,

Subject: !ExternalMail: Clarification of the order of entry of Israeli citizens with Travel Document in Lieu of National Passport

Szervusz! My name is Evgenia, and I represent ATLAS. At the moment, at the request of the Israelis, we are updating data on entry to different countries using Travel Document in Lieu of National Passport. It is a second passport and is issued exclusively to Israeli citizens who do not live in the country.

According to the visa agreement between Israel and Hungary, Israeli citizens who own a Darkon can visit the country without obtaining a visa and stay in it for 90 days. What are the rules of entry into your country for Israeli citizens with Travel Document in Lieu of National

Passport?

We are looking forward to receiving a response to update the data on entry to Hungary with Travel Document in Lieu of National Passport.

Thank you for attention,

Evgenia
