Dear Madam,

thank you for your e-mail.

Please be informed that the Polish-Israeli bilateral agreement stipulates that Israeli citizens can stay in Poland for 90 consecutive days (without any other restrictions). If they leave Poland before this 90-days term passes, they may enter Poland again for another maximum 90 days.

The list of recognised travel documents you may find at the website of the European Council:  
<https://www.consilium.europa.eu/prado/en/prado-recognised-documents.html>. Among them you will find:

*Travel document in lieu of national passport/ Provisional passport*

תעודת מעבר במקום דרכון לאומי

The document is recognised by Poland.

Please also note that the issues concerning border crossing are the sole competence of the Border Guard of Poland. Therefore please find the relevant contact information at the website of the Border Guard:
