Dear Evgenia,

Thanks for reaching the Consulate General of Costa Rica in Israel. Provisional passports issued by Israel are valid to enter Costa Rica with a visa exemption, since Costa Rica's basis for such exemption is **nationality**, not the passport's type or quality.

I hope this information is useful for your organization.

Best regards,

¡Buenos días!

My

name is Evgenia, and I represent ATLAS. At the moment, at the request of the Israelis, we are updating data on entry to different countries using Travel Document in Lieu of National Passport. It is a second passport and is issued exclusively to Israeli citizens

who do not live in the country or became citizens less than a year ago. This passport is also known as a Provisional Passport.

According

to the visa agreement between Israel and Costa Rica, Israeli citizens who own a Darkon can visit the country without obtaining a visa. What are the rules of entry into your country for Israeli citizens with Travel Document in Lieu of National Passport?

We

are looking forward to receiving a response to update the data on entry to Costa Rica with Travel Document in Lieu of National Passport.

Thank
you for attention,

Evgenia
